GUIDE TO SAFEGUARDING

Newcomen Primary School is committed to keeping our pupils and staff safe. This leaflet aims to provide guidance to support you assisting us with this aim.

Safeguarding at Newcomen Primary School

Welcome to Newcomen

All schools have a statutory duty to safeguard and promote the welfare of children. At Newcomen we take this responsibility very seriously.

If you have any concerns about the safety of a child or young person whilst visiting Newcomen, please speak to any member of staff who will be able to help you. If you are unsure of what to do or who to speak to, please contact a member of the administration staff.

Keeping yourself and others safe at Newcomen

- Please follow all visitor procedures that we ask of you as a visitor as outlined when you sign in.
- Please report anything that concerns you whilst in the school in relation to any aspect of safety.
- We expect all members of the community to speak to each other respectfully and to be considerate of the needs of others. If you experience or witness a lack of respect during your visit, please let a member of staff know.
- You should not be left in a situation where you are alone with children and unaccompanied. Please let a member of staff know, should this happen.
- Taking photographs of children is strictly prohibited.
