7th February – Safer Internet Day

Safer Internet Day is an event, organised by the UK Safer Internet Centre, which aims to promote safe, responsible and positive use of internet technology. It involves lots of local and national organisations coming together to raise awareness of correct internet practices. They look at lots of topics including consent, ownership and data privacy, and it runs with the slogan, 'Together for a better internet'. They also raise issues about cyberbullying, digital identity and social network.

27th February – Fair Trade Fortnight

Fairtrade means better prices, good working conditions and improvement to sustainability. Buying Fairtrade products means that there are agreed terms and pricing for both farmers and workers in developing countries. Fairtrade Fortnight runs every year for two weeks. Its aim is to transform the farming industry, and to ensure that farmers and workers get a fair deal for the food they grow.
