Dear Parents, Carers and Families, I hope this finds you all keeping well.

On Monday, Year 4 visited Teesmouth Field Centre to enjoy a River Tees Source to Mouth geography curriculum enrichment. All our children were commended by the staff there on their impeccable behaviour and impressive geographical vocabulary such as 'tributary' and 'meander'. Whilst at the Transporter Bridge, we gained first-hand experience of the working river and created models of the river from source to mouth on the rather windy beach at North Gare!

This week, our Year 2 children have been out of school exploring the geographical features of Redcar. They enjoyed spending time on our local beach and even managed a quick trip to Locke Park to see the squirrels. A good time was had by all and the children were able to identify human and physical geographical features confidently.

Thank you to our families for listening to your children read at home to help reinforce what we do at school. Please can you ensure that our school's reading books are kept in good condition whilst at home and please return to school once read; this should be every week as detailed in the leaflet sent out today. Thank you.

Our Breakfast Club is always extremely popular. Going forward, please book any places required for the following week by Friday at the latest. As numbers are increasing, we are now unable to accept pupils on the day. **Booking is essential.**

It was lovely to hold our KS1 and EYFS Consultations yesterday and see you all face to face in school. If you were unable to attend, please do get in touch to speak with your child's teacher.

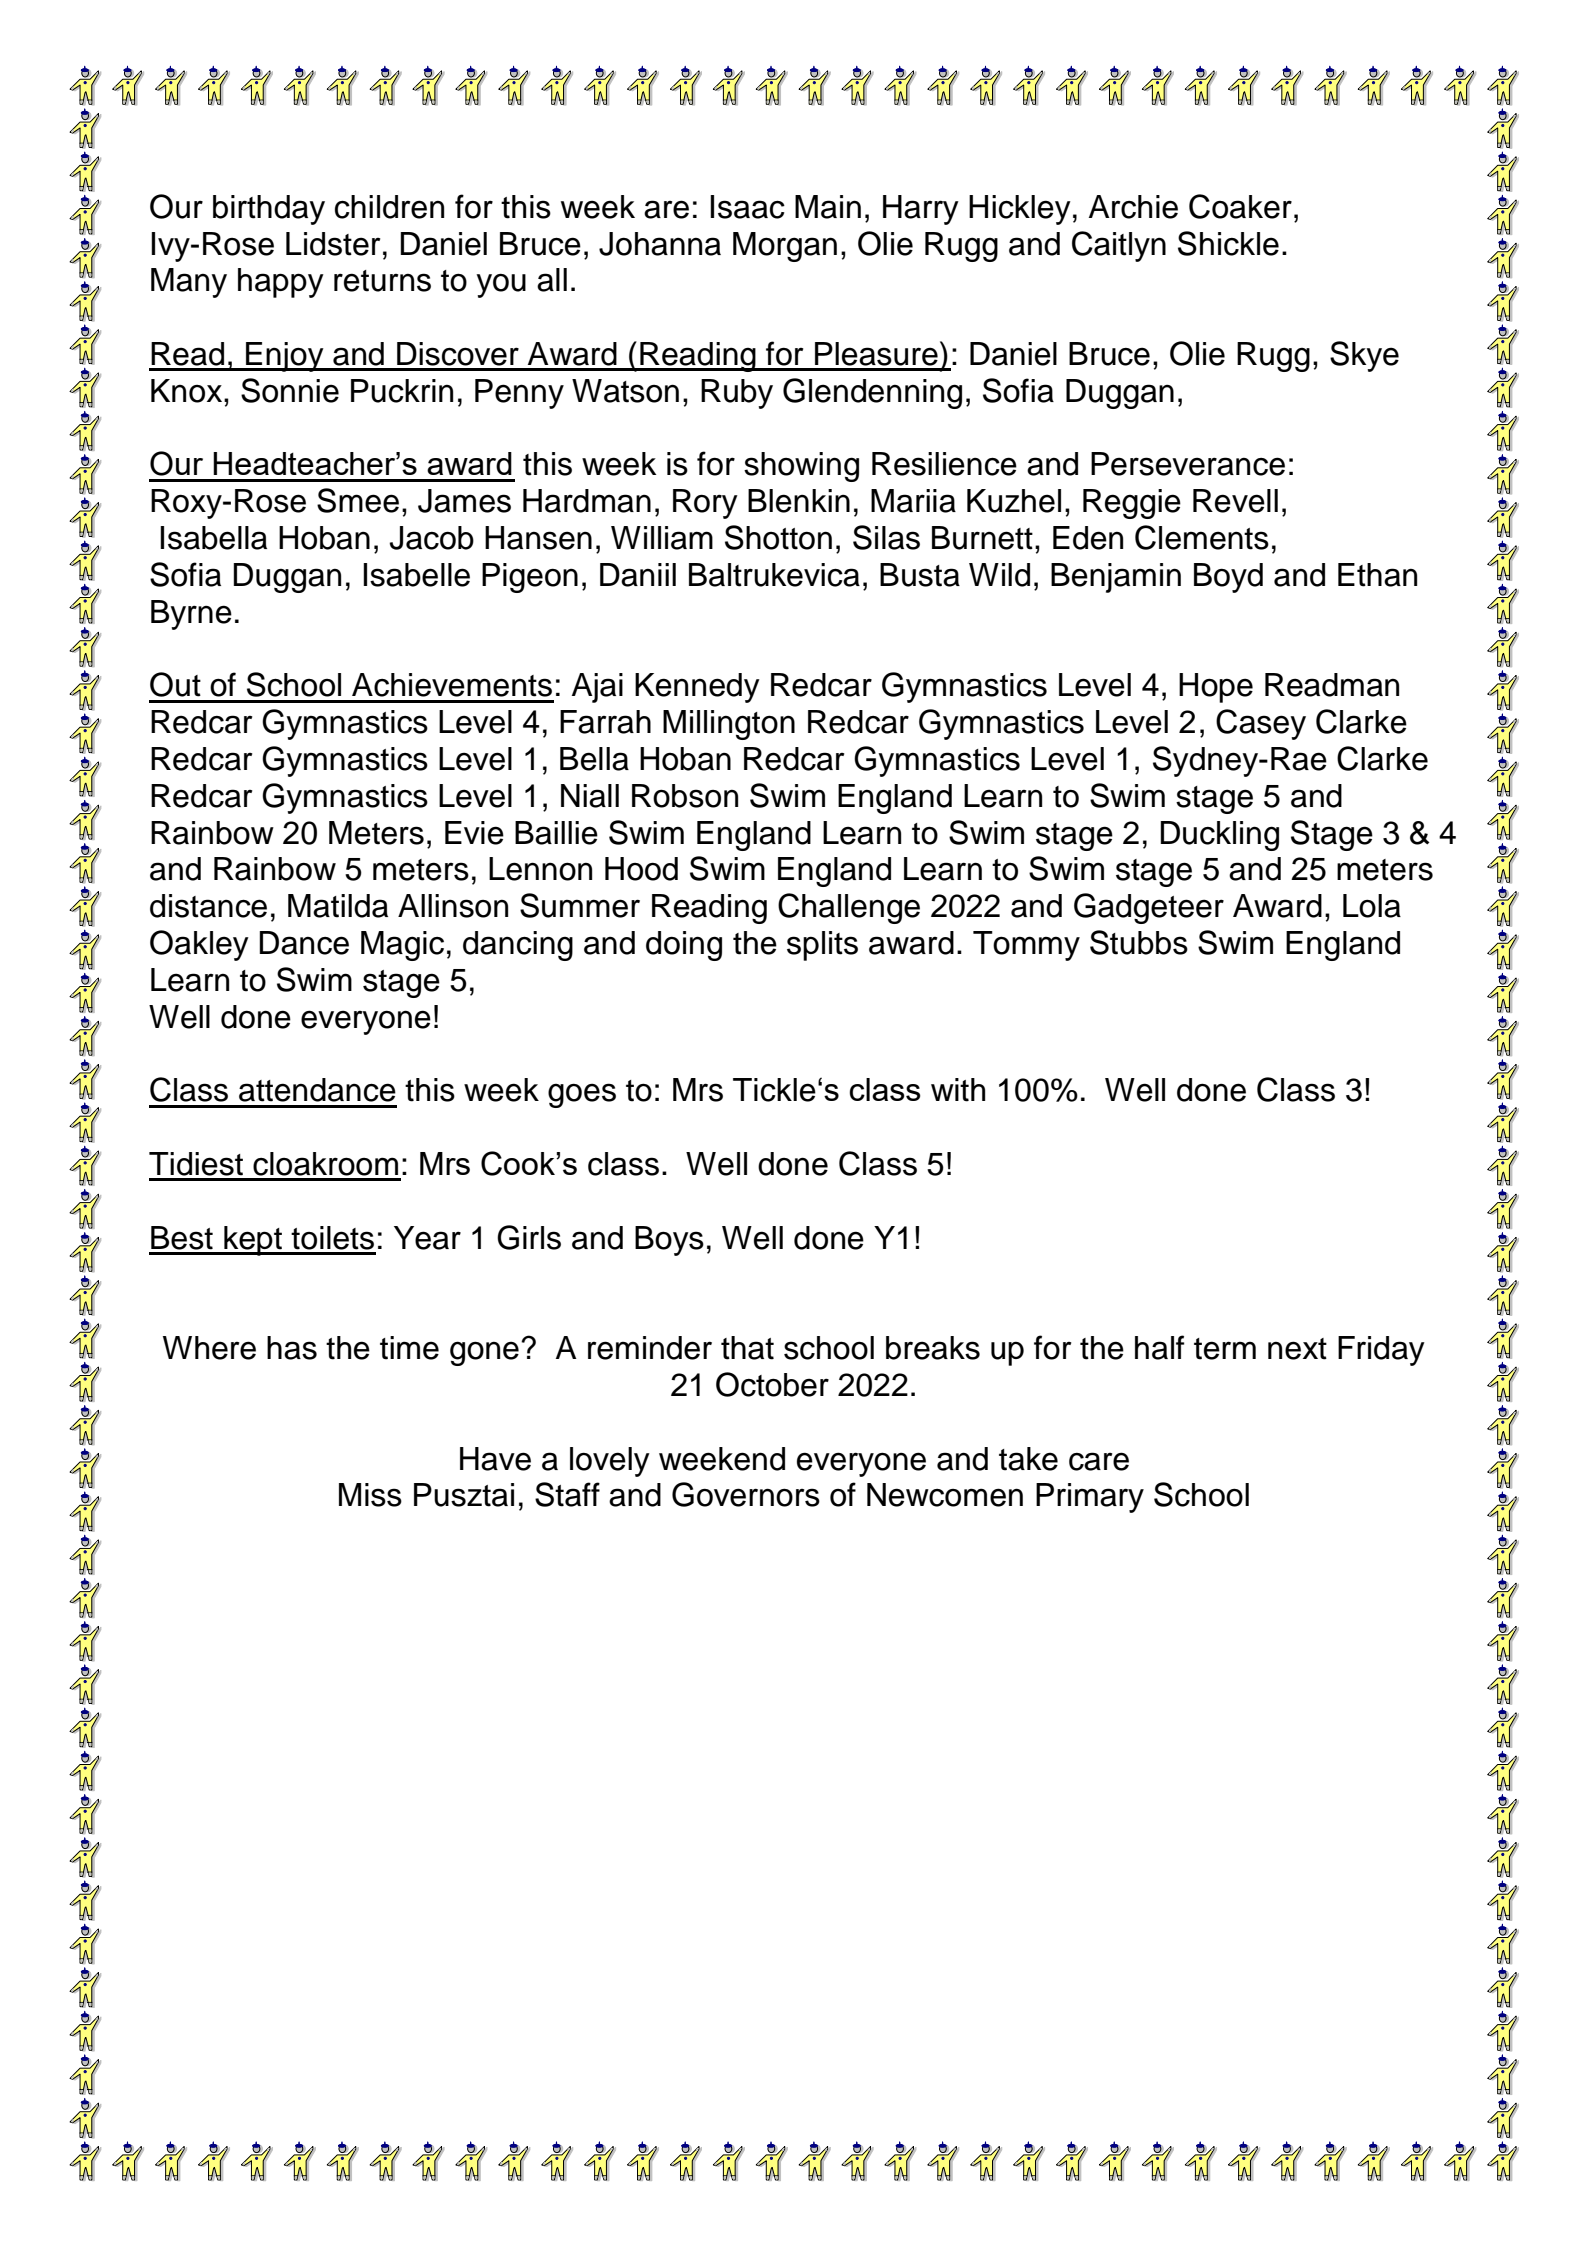

Parent/carer consultations for our KS2 pupils are taking place in school next week on Thursday, 20 October and Friday, 21 October 2022 from 1:30pm until 6:00pm. If you haven't already done so, please make your appointment using the school cloud. The link you need to log on at is <https://Newcomenprimary.schoolcloud.co.uk> If you have any problems, please contact the school office.
