Dear Parents, Carers and Families,

Class 2 attended the Sports Balance Festival on Thursday at Redcar Leisure Centre. The children completed lots of bike related activities helping to improve their balance and co-ordination; all the children behaved wonderfully and are a credit to our school.

Thank you to the Cleveland Fire Brigade Education Team who came in to talk to our children about road safety. As well as giving advice regarding the potential dangers to be aware of as a pedestrian and making sure they can be seen by motorists at night, they also talked about safety when cycling and reminded the children that they must wear their bike helmets.

Tempest photographers will be in school on **Thursday, 1 February 2024** to take class and individual photographs for our Nursery pupils and to catch up on any pupils who were absent from the main school photographs.

This week's focus is an online safety guide on: **What parents need to know about TikTok.**
