Dear Parents, Carers and Families

I am so humbled and overwhelmed at your generosity; the amazing running total raised from our Sponsored Spell 2024 is **£3620.85**. From the bottom of my heart, I would like to say thank you so very much.

Devon Lycette from the Teesmouth Seal Rescue and Conservation Centre visited Eco Club to talk about their new project and the work in our local community to protect the number of seals. The Eco-team found out what to do if they spot a seal on a beach and how to help protect the seal by removing all rubbish on the beach. The project is based at the old RNLI station at South Gare and they are looking for funding to transform the building into a seal hospital. The Eco Team have been invited to visit once the building renovation is complete.

Please can our parents be mindful of our neighbours when dropping off and collecting from school. We have had incidents again this week, where residents on Avon Road were blocked in and parents refused to move when asked to do so. Can we also remind you that you may only park in the Disabled bays if you have a Disabled Parking Badge. Please keep these bays free for those who need them. Thank you.
